

Rescue. Reconnect. Renew.

The Gospel simply means “good news”. Throughout history a “Gospel” would be written about someone to tell of their birth, life, and impact in the world. It also explained how that person’s life would affect yours.

The Gospel of Jesus is the good news of who Jesus is and what He has done for us. His birth, life, death, and resurrection impacted the world in a major way! Jesus told us that we are created by God, valued, and loved more than we could ever dream.

The Gospel is the good news that Jesus has come to rescue us, reconnect us with the Father and each other, and to make all things new.

Rescue

Jesus came to rescue us, bring us into the family of God, and make all things new. But wait, why do we need rescued? We need rescued because of all us have sinned. What does that mean? Sin means that we have all failed to fulfill the purpose that humans were created for. Sin has created brokenness in every area of life. We can all relate with that, right? Sin is when we make things about ourselves. It is living for ourselves, living our own way, for our fame and recognition – instead of living to love God and others and glorify God who created us. Our failures have broken the relationship between us and God - our heavenly Father. Sin has distorted our true identity, and brought brokenness into every part of our world. This is why we need rescued!

Reconnect

God created you us to have a relationship with Him. There is a desire in each of us to be connected with our creator. Sin disconnected us. Kind of like when losing WIFI connection - the communication is broken! God came to rescue us through Jesus. Jesus lived a life without sin (failure) and totally fulfilled the purpose of God through His life, death, and resurrection. When we hear the Good News of Jesus, believe, and devote our lives to following Him, we are reconnected to God. We are reconnected to our true identity as God's children.

Renew

When you place your trust in Jesus and devote your life to following Him, you begin a new way of living. The life that God created you to live - renewed. If you have ever felt like a failure. If you ever felt disconnected from God. If you have every dreamed of having a life full of love, joy, purpose, and meaning. You can.

The Gospel says you can be rescued, reconnected, and renewed by faith in Jesus.
